This document serves as a public notice of an intellectual property claim filed by the claimant named below. A permanent, verifiable record of this claim has been timestamped on the arbitrum blockchain.

Claim Details

Claimant Name: shashikanth ramamurthy The

Title of Work:

Doriya Tanhayi Ki | Shashi & Asha: A Frayed Love in 1950s India | Cinematic Heartbreak Ballad

Description: Unravel the threads of love in "Doriya Tanhayi Ki" ? a haunting melody where loneliness weaves its own poetry. Set against the golden haze of 1950s India, this cinematic masterpiece traces the frayed bond between Shashi (a soulful poet in his late 20s, eyes holding storms of unspoken words) and Asha (a luminous beauty in her mid-20s, whose smile conceals a thousand heartbreaks).

From the ghostly corridors of a Shimla mansion to the echoing platforms of Kolkata's colonial-era stations, the endless highways of Rajasthan, and moonlit Mughal Gardens of Srinagar, every frame drips with melancholic grandeur. Watch as Shashi chases Asha's memory through dawn-lit Goan shores and lotus ponds reflecting her ghostly grace ? all while orchestral storms of piano, violin, and sitar amplify the ache of a love that slipped like sand through fingers.

This isn't just a song; it's an elegy for lost connections. With Shashi's trembling vulnerability and Asha's ethereal presence, "Doriya Tanhayi Ki" becomes a visual symphony of solitude, longing, and bittersweet acceptance. As the final chorus fades, you'll feel the weight of every unspoken word ? and the silence that remains.

? Press play and let loneliness wrap you in its melody. Like, share, and subscribe for more timeless tales of love and loss.
